To the Commission

Request to Withdraw Duplicate Filing  
(regarding Petition for Reconsideration with above caption)

The undersigned filed a Petition for Reconsideration with the above caption on May 8, 2002. By mistake, a duplicate filing was submitted on August 27, 2002 via ECFS. Thus, the undersigned requests withdrawal of the duplicate filing (not the May 8 filing) and in any case

(whether or not this withdrawal request is acted on or granted) provides this explanation so that the Commission and interested parties are not confused by the duplicate filing.

Respectfully submitted,
